Subject: Letter of Distribution Authorization

To Whom It May Concern,

**GeneSiC Semiconductor, Inc.** ("*GeneSiC*") hereby confirms that **Supreme Components International** ("*Reseller*") is the preferred distributor for all GeneSiC products. Reseller is allowed to resell all original GeneSiC products within the territory of

**South-East Asia, India, Australia, New Zealand**

This letter of authorization is valid until December 31, 2021 and will be renewed on an annual basis. It can be terminated upon agreement of both parties.

During the term of this authorization, reseller is authorized to use GeneSiC's trademarks, trade names and logos in connection with reseller's advertisement and promotion of products.

Unless provided otherwise in writing by GeneSiC, this letter does not constitute the awarding of a license or any other intellectual property rights, whether registered or unregistered.

GeneSiC will provide full technical and sales support to reseller in their goal to market and sell GeneSiC's product in their territory.

A handwritten signature in blue ink, appearing to read "Ranbir Singh", with a horizontal line underneath.

Ranbir Singh, PhD  
President  
GeneSiC Semiconductor, Inc.
